DETAILED ACTION

Allowable Subject Matter

1. Claims 30-33 are allowed.
2. The following is an examiner's statement of reasons for allowance: Yamazaki discloses a power management system comprising a computer(computer 103) connected to a server(wireless communication apparatus 101) over a network(connection interface 104). Yamazaki also discloses the computer comprising means for receiving power source information(power transmission interface 213) transmitted from the server, and means for selecting(power controller 203) one of an external power source(external power supply 107) and a secondary power source(built in battery 105). However, Yamazaki fails to disclose using power load information sent from a power company for the external power source. Yamazaki also fails to disclose a plurality of client computers and thus also fails to disclose defining groups among the plurality of client computers. Yamazaki further fails to disclose determining a power shift time period for a group of client computers, as well as sending power source information to the group of client computers.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
